

Scientific Conferences and Presentations:

- June 2013 6th European Young Investigators Conference, Słubice (PL). **Oral presentation:** Catechol Derivatives in Radical Chain Reactions
- May 2013 COST Action CM1201 meeting, Bologna (IT). **Oral presentation:** idem.
- Mar. 2013 15th JCF-Frühjahrssymposium, Berlin (DE). **Oral presentation:** Polar Effects in Hydrogen Atom Transfers from Catechols to Alkyl Radicals
- Sept. 2012 SCS Fall meeting, ETH Zürich (CH). **Oral presentation:** idem (1st prize award).
- July 2012 11th International Symposium on Organic Free Radicals, Bern (CH). Member of the local organization committee. **Poster presentation.**
- Sept. 2011 Ecole Nationale Supérieure de Chimie, Mulhouse (FR). **Invited lecture:** Reactions radicalaires en chaîne des catéchols avec des organoboranes
- May 2011 Bürgenstock, 46th EUCHEM Conference on Stereochemistry, Brunnen (CH). **Poster presentation.**
- July 2010 EUCHEM Conference on Organic Free Radicals, Bologna (IT). **Oral presentation:** Catechol as an Additive to Improve the Efficiency of the Thiol-Ene Coupling Reaction.
- Sept. 2009 SCS Fall Meeting, EPFL (CH). **Poster presentation.**
- Sept. 2009 1st Year Graduate Student Symposium, Bern (CH). **Oral presentation:** An Antioxidant in Radical Chain Reactions: Catechol as a Reducing Agent (1st prize award).
- July 2009 21st International Symposium: Synthesis in Organic Chemistry, Oxford (UK), **Poster presentation.**
