

Notification regarding Ninomiya House

We would like to inform you that from April 1, 2023, there will be changes in the operation of Ninomiya House.

1. Until now, the room cleaning when moving out was done by Ninomiya House.

But, for those who move in from April 1, 2023, the user or the research institution they belong to will be responsible for the room cleaning arrangement and the cost when moving out.

(For those who move in by March 31, 2023, as a transitional measure, Ninomiya House will bear the cost and its arrangement for room cleaning for move out as before.)

2. Ninomiya House used to provide a room cleaning service for users about once every six months, but this room cleaning service will be abolished.

3. Until now, Ninomiya House provided life support services (reservations for hospitals, support for moving in and out of schools, agency for city hall procedures, etc.) and various events (Japanese classes, summer festivals, etc.).)

These life support services and various events will be abolished.
