

	Name :	<b>Gernot <u>Güntherodt</u></b>
Job Title:	Professor of Experimental Solid State Physics	
Organization:	Physics Institute (IIA), RWTH Aachen University, 52056 Aachen, Germany	
Major Field:	Nanomagnetism, Spintronics, Correlated electron systems	
Education:	1986	Diploma in Physics, ETH Zurich/ Switzerland
	1986–1973	Scientific Assistant, Laboratory for Solid State Research, ETH Zurich/Switzerland
	1973	Doctorate in Physics (Dr. sc. nat.), ETH Zurich/ Switzerland
Job history:	1974–75	Postdoctoral Fellow, IBM Thomas J. Watson Research Center, Yorktown Heights, New York, USA
	1975–77	Research Associate, Max-Planck-Institute for Solid State Research, Stuttgart, Germany
	1977–80	Permanent Research Staff Member, Max-Planck-Institute for Solid State Research, Stuttgart, Germany
	1979–87	Associate Professor, II. Physikalisches Institut, Universität zu Köln, Germany
	1987–	Professor & Director, II. Physikalisches Institut, RWTH Aachen University, Germany
