

Memorandum of Confirmation concerning application to the ACT-I Research Area “Information and Future”

To: The President of the Japan Science and Technology Agency

I hereby confirm that I have, as a Research Project Applicant, confirmed with my academic supervisor the following items in the course of my application to the ACT-I Research Area “Information and Future.”

- 1) It is possible for the institution to which I am affiliated to conclude a Contract Research Agreement as designated in the application guidelines
- 2) I understand the fact that ACT-I is the research program that promotes individual research, and I will on my own initiative implement the contracted research as the Research Practitioner in the Contract Research Agreement. Furthermore, my academic supervisor will supervise the implementation of the contracted research as the Research Monitor in the Contract Research Agreement.
- 3) My academic supervisor, acting as the Research Monitor, and myself as the Research Practitioner, will strictly observe the articles of the research contract agreement and **the items stipulated in 5.2.5 “Responsibilities of Research Director and, Lead Joint Researchers and Individual Researchers after approval” in the application guidelines.**
- 4) With regard to the treatment of intellectual property arising from the results of contracted research, I and the institution to which I am affiliated have reached an agreement on the arrangements, pursuant to the Contract Research Agreement, Intellectual Property Clause 8-2 of Appendix 4.
