

**Dr. Koichi Kitazawa**

**Executive Director of JST  
PD for JST Projects**

Nationality: Japanese  
Sex: male  
Date of Birth: April 17, 1943

Japan Science and Technology Agency  
Office Address: 4-1-8 Honcho, Kawaguchi, 332-0012, Japan  
Tel: 81-48-226-5600 Fax: 81-48-225-592  
e-mail: kitazawa@jst.go.jp

Position title: Senior executive-Director

1962 Mar. Graduated from Nagano High School, Nagano, Japan  
1962 Apr. University of Tokyo, Science Course I, admitted  
1966 Mar. Graduated from University of Tokyo, Department of Chemistry,  
(Degree: Bachelor of Science)  
1968 Mar. graduated from University of Tokyo, Department of Industrial Chemistry,  
(Degree: Master of Engineering)  
1968 Apr. Admitted to Ph. D. course, Department of Industrial Chemistry,  
University of Tokyo  
1969 Sept. admitted to graduate course III, Massachusetts Institute of  
Technology, Cambridge, Massachusetts, USA  
1972 Feb. graduated from Department of Materials Science and Metallurgy  
Massachusetts Institute of Technology, (Degree: Doctor of Science)  
1972 Feb. DSR staff of Division of Sponsored Research, Ceramics Division,  
Massachusetts Institute of Technology  
1973 Jan. Research associate, Department of Synthetic Chemistry,  
University of Tokyo  
1979 Mar. Lecturer, Department of Industrial Chemistry, as above  
1980 Jan. Lecturer, Department of Applied physics, as above  
1982 Apr. Associate Professor, as above  
1987 July Professor, Department of Industrial Chemistry, as above  
The department has changed its name to Department of Applied Chemistry in 1995.  
1990 Apr. Professor, also of Department of Superconductivity,  
Graduate School of Engineering  
2000 Apr. Professor, Department of Advanced Materials, School of Frontier Sciences,  
University of Tokyo  
2001 May Vice President, Japan Science and Technology Corporation  
2003 Oct Senior Executive-Director, Japan Science and Technology Agency

Awards:

1988 Grand Prize: Ceramic Society of Japan  
1988 Society Award: Japanese Society of Applied Physics  
1988 IBM Japan Science Award (Physics Division)  
1989 Fulrath Award: American Ceramic Society  
1996 Society Award: Magnetics Society of Japan  
2000 Superconductivity Science and Technology Award: Future Science and  
Technology Society, Japan Science and Technology Agency  
2001 Society Award: Japan Society of Powder Metallurgy  
2002 Purple Ribbon Medal

Editorial member of:

Journal of "Superconductor Science and Technology"  
Institute of Physics, London, UK  
Journal of "Superconductivity review"  
Gordon and Breach Publishing Company, NY, USA

Organizer or chairman of the organizing committee of the following international conferences:

Materials Research Society, Superconductivity session, Boston (1988)  
Materials Research Society, Superconductivity session, San Diego (1990)  
International Workshop on Crystal Chemistry of High Temperature  
Superconductors, Hefei, China (1997)

School Director: International Advanced School "Leonard da Vinci"  
on "Superconducting Materials" Bologna, Italy (1998)

Plenary Lecturer (most recent one) M2S-HTSC Houston (2001): Materials and  
Mechanisms of Superconductivity-High Temperature Superconductors, February, 2001

Member of:

American Physical Society  
Materials Research Society  
American Ceramic Society  
Physical Society of Japan  
Chemical Society of Japan  
Applied Physical Society of Japan  
Electrochemical Society of Japan  
Ceramic Society of Japan  
Magnetics Society of Japan
