

Dr. Yoshinari INUKAI

**Independent Administrative Institution
New Energy and Industrial Technology Development Organization
(NEDO)
Program Officer for Research Grant Assessment
Research and Development Promotion Department**

•Professional and research career

2003.10-Now

NEDO

Program Officer for Research Grant Assessment

1994.3-2003.9

KNIRI National Institute of Advanced Industrial Science and Technology (AIST)

Senior researcher Director of research planning Principal research scientist

· Adsorbent for separation of semimetal

1993.3-1994.2

CSIRO, Australia

Visiting researcher

· Coal chemistry, Separation chemistry

1981.4-1993.2

Kyushu National Industrial Research Institute (KNIRI)

Researcher Senior researcher

· Coal liquefaction

1979.4-1981.3

Kyushu University

Research instructor

· Organic fluorine chemistry

•Career of Distribution of Competitive Research Fund

2003.10-Now

Research Grant for Industrial Technology

International Joint Research Grant
