

Nobuhiro Uchida

Independent Administrative Institution

Japan Science and Technology Agency (JST)

Deputy Manager at 1st Research Promotion Division

Department of Research Promotion, Office of Basic Research

Deputy Manager at Department of Planning and Evaluation

●Professional career

2004.4-Now

JST

Deputy Manager

1st Research Promotion Division, Department of Research Promotion, Office of Basic Research

Deputy Manager, Department of Planning and Evaluation

2001.3-2004.3

JST

Chief Analyst, Bioinformatics Division, Department of Advanced Databases

1997.7-2001.2

Researcher, Department of Radiation Biology, Aichi Cancer Center Research Institute

1997.4-1997.6

Postgraduate

Department of Biological Sciences

Graduate School of Science

The University of Tokyo

1997.3

Ph.D. Degree

1994.4-1997.3

Doctor Course

Department of Biological Sciences

Graduate School of Science

The University of Tokyo

1992.4-1994.3

Master Course

Department of Biological Sciences

Graduate School of Science

The University of Tokyo

1992.3

Graduation

Department of Biology

Faculty of Science

The University of Tokyo

●Research career

2004.4-Now

Promotion of Basic Research Programs

2001.3-2004.3

Promotion of Bioinformatics Programs

1997.7-2001.2

Research of DNA Repair and Esophageal Cancer

1992.4-1997.6

Mutual Interaction of DNA Repair Systems

●Career of Distribution of Competitive Research Fund

2004.4-Now

Proposal-Oriented Type Research/Team Research [CREST Type]
