Research Ethics Training Now a Prerequisite

● Basic Principle

Since FY2015, researchers who apply for new JST calls for proposals are required to complete a research ethics training program at their affiliated organization prior to application. Details are to be provided in the application guidelines for each project.

<Flow chart for Reporting Completion of Research Ethics Education Programs>

Have you completed research ethics training at your affiliated organization? ※

※Includes JSPS e-Learning Course on Research Ethics

Yes → Declare your completion status on the e-Rad application information entry screen.

No → Have you completed the JST-required modules of eAPRIN in the past as part of a JST project?

Yes → Declare your completion status on the e-Rad application information entry screen.

No → Enroll and take the digest version of eAPRIN.
After completing the program, declare completion and enter the confirmation report number in the e-Rad application information entry screen.
