

[Important] e-Rad 'Registration of research integrity' for PIs of the Japanese team

When submitting an e-Rad application, it is necessary to register information related to research integrity in e-Rad. If you have not completed this registration, you will not be able to complete your application in e-Rad, so if you have not done so, please do so as soon as possible.

***In ASPIRE, registration is required not only for the Principal Investigator but also for all Co-PIs.**

Registration can be done from the 'Check or modify researcher information' menu after logging in to e-Rad.

For details on input, please refer to the following link.
