

Shigemi Mizukami

Principal Investigator, Professor, AIMR, Tohoku University

Address (affiliation):

Advanced Institute for Materials Research (AIMR)

Tohoku University

2-1-1, Katahira Aoba-ku, Sendai 980-8577, Japan

Tel: +81-(0)22-217-6003, Fax: +81-(0)22-217-6003

Email: shigemi.mizukami.a7@tohoku.ac.jp

URL: http://www.wpi-aimr.tohoku.ac.jp/mizukami_lab/

Education

1996 B.S. in Applied Physics (Tohoku University)

1998 M.S. in Applied Physics (Tohoku University)

2001 Dr. Eng. in Applied Physics (Tohoku University)

Academic Experience

2001 – 2005 Research Associate, General Education, College of Engineering, Nihon University

2005 – 2008 Lecturer, General Education, College of Engineering, Nihon University

2008 – 2010 Assistant Professor, WPI-Advanced Institute for Materials Research

2011 – 2012 Associate Professor, WPI-Advanced Institute for Materials Research

2012 – 2014 Independent Investigator, Associate Professor, WPI-Advanced Institute for Materials Research

2014 – Principal Investigator, Professor, WPI-Advanced Institute for Materials Research

Awards and Honors

2001: Award for Encouragement of Research (Department of Applied physics, Tohoku University)

2005: Outstanding Research Award (The Magnetics Society of Japan)

2013: Best Poster Award (The Japan Society of Applied Physics)
