

ERATO-MiCS International Symposium on Sociomicrobiology

8th July 2019

International Conference Room
Daigaku-Kaikan, University of Tsukuba

14:00 -14:10 Opening Remarks, Prof. Nobuhiko Nomura

Keynote lecture

14:10- 15:10

Prof. E. Peter Greenberg (University of Washington)
Quorum sensing, cooperation and conflict
in populations of *Pseudomonas aeruginosa*

15:10-15:30 Coffee break

Invited lectures

15:30-16:00

Prof. Ken-ichi Oinuma (Osaka City University)
Molecular characterization of *Pseudomonas aeruginosa*
quorum sensing signal receptor RhIR

16:00-16:30

Prof. Keiji Murakami (Tokushima University)
Role of *psl* gene and antioxidant ability for
antibiotic tolerance in *Pseudomonas aeruginosa*

16:30-17:30 General Discussion

17:30-17:40 Closing Remarks, Prof. Naoki Takaya

18:00- Social Gathering
Tsukuba Demi, Daigaku-Kaikan
