

Japan-France
joint call for proposals on Edge Artificial Intelligence – Edition 2023

Kick-Off Workshop

Monday, 18th March, 2024.

VENUE: **MAS**, 10 Rue des Terres au Curé, 75013 Paris, <https://mas-paris.fr/>

DATE: **Monday, 18th March, 2024**

TIME: 10:00 - 16:30 (CET)

CET	Program
10:00-10:10	Welcome note by ANR representative M. Thierry Damerval, CEO of ANR
10:10-10:30	Expectations for Edge AI program M. Tomoaki OHTSUKI M. Yamine AIT AMEUR
10:30-10:40	Group photo
Project-wise session (30 min. Project plan presentation, 10 min. Q&A)	
10:40-11:20	ASTÉRIX : <i>edge AI tranSformer-based adaptable human roboT collaboration system for smartER Industry 4.0X</i> M. Liming CHEN / M. Kensuke HARADA
11:20-12:00	CONFLUENCE : <i>semantiC segmentatiON oF compLex soUnd scEnes oN edge deviCEs</i> M. Nicolas TURPAULT / M. Noboru HARADA
12:00-12:40	LIGHT-SWIFT : <i>LIGHTweight edge artificial intelligence for Sensing and Wireless communications in connected FacTories</i> M. Olivier BERDER / Mme Megumi KANEKO
12:40-14:15	Lunch Break (13:45-14:15 Technology demonstration by CONFLUENCE project)
14:20-15:50	Discussion session: “Edge AI” - Lightweight AI - Edge device - LLM (Large Language Model) ● Moderator: M. Tomoaki OHTSUKI
15:50-16:00	Closing Remarks by JST representative Mme Masae Sugawara
16:00-16:30	Technology demonstration by CONFLUENCE project (cont.)

Before dinner, participants can hold individual team meetings or chat with members of other projects. ANR offers the possibility for each Edge AI team to have an extra meeting on Tuesday, 19 March, if they so wish.
