

Symposium

The 10 Years and the Future

Tokyo, Japan 9 September 2009

— 10 Years after Declaration on Science and the Use of Scientific Knowledge
Seize Science in Society and Science for Society —
Commemorating the tenth anniversary of the 1999 World Conference on Science

The purpose of Symposium

The Hungarian Academy of Sciences, in partnership with UNESCO, ICSU and the European Commission, is organizing the 4th World Science Forum- Budapest on 5-7, November 2009 focusing on 'Knowledge and Future'.

Preceding the WSF, this symposium "The 10 Years and the Future" will take place on 9 September, 2009 for the aim of reviewing the relationship between scientific communities and society after the declaration, and to discuss the roles of science in our future, by leading experts from different sectors such as industry, government, academia, civil society and so on.

This symposium organized in Japan commemorating the tenth anniversary of the 1999 World Conference on Science has been authorized as satellite event of WSF which will be held in Budapest this November.

Date: 9 September, 2009 (13:00 ~ 17:10)

Venue: The Auditorium, Science Council of Japan, Tokyo
